THE DECADANCE 'REWARD-U' SCHEMES

Rewarding those who help us raise the bar!

Have you ever spoken to someone who mentioned in passing that might need a new website, help with branding or design work or any form of digital media? Perhaps they were unsure of the best way to go about marketing because they hadn't used any tried and tested methods? At the time you were speaking to them, you didn't know anyone who could help?

Well we've got that sorted... and in turn you will benefit too!

We've introduced our '**REWARD-U**' scheme as a way of saying thank you to anyone who introduces new business to us.

This scheme currently runs through all of our agencies, and it's dead simple. Once a new client signs with us, we will reward the person who made the introduction.

As a business, our ethos is to support those who support us, so as well as looking after the customers we already have, we also want to encourage new business to allow us to grow; rewarding those who help us flourish.

So regardless whether you are a company employee, contractor, or someone who is not connected to the business in any way, we believe you should be rewarded for helping us grow our client base.

Below are the current schemes and the rewards for each type of referral. Should you have any questions you can email reward-u@decadancegroup.com or just give us a call on (+44) 0330 088 4181.
